## What's New at ISLSP?...

### 24/7 Exchange Forum!

ISLSP's monthly investor webinars are now complemented with 24/7 online follow-on discussions to showcase professionals, their expertise and delineate the issues revolving around implementing investor best practices to help them leverage this unique asset class. [24/7 Exchange](#)

### 2009 Summer Pricing

To provide greatest value and encourage you to tap into our network of experts and investors, take advantage of our 2009 Summer Pricing. You'll have access to our live Webinar sessions, recordings, transcripts, 24/7 forum membership level access and our **Investor Reports** to suit your industry and investment information needs.
